

PALM HARBOR PLASTIC SURGERY CENTRE

Erel Laufer, M.D., F.A.C.S. | Jennifer B. Buck, M.D., F.A.C.S. | Jay H. Ross, M.D., F.A.C.S.

Specialties: Cosmetic & Reconstructive Procedures, Facial Fillers, Botox & Dysport, Lipomassage by Endermologie, Laser & Skincare Treatments

Upon entering Palm Harbor Plastic Surgery Centre, you will be greeted by a knowledgeable and courteous staff. Every one of our medical and support team are dedicated to helping you through the surgical and postoperative process with attention to detail and caring for you like family.

Our board certified physicians include Dr. Erel Laufer, Dr. Jay H. Ross, and Dr. Jennifer B. Buck. All are members of the American Society for Aesthetic Plastic Surgery & American Society of Plastic Surgeons, serving Tampa Bay with over 60 years of combined plastic and reconstructive surgery practice.

The State of Florida certifies us to perform office-based surgery and our state-of-the-art surgical suites and recovery rooms have

certification of the American Association of the Accreditation of Ambulatory Surgery Facilities, Inc.[®], the only such accredited center in North Pinellas County.

We offer a full spectrum of plastic surgery procedures for women and men ranging from facelifts, nasal surgery, tummy-tucks, liposuction and all forms of breast procedures. We also feature “Mommy Makeovers”, surgeries designed to restore mothers back into their “before baby bodies”. Our surgeons perform nonsurgical treatments including Botox, Dysport, Juvederm, Perlane, Sculptra and Restylane.

Our About Face Boutique & Medi Spa specializes in endermologie, lymphobiology, treatment for spider veins, laser hair removal,

microdermabrasion, facials and permanent makeup. We offer cutting-edge skin care including educating teenagers about proper skin care treatments. We are presently showcasing the Prestige and Brilliance Peels, a great way to achieve a fresh and renewed face.

Dr.’s Laufer, Ross and Buck each consider themselves your “personal” plastic surgeon. They have attained an extraordinary reputation in the cosmetic surgery community through their artistic achievements and expertise.

Thousands of women and men have achieved their unique needs and vision of aesthetic enhancement at Palm Harbor Plastic Surgery Centre. Our goal is to transform your inner beauty into outer radiance!
