

# BEWARE THE BITE!

Did you know that every dog can bite? This dog wants you to find out how to prevent dog bites. Help the dog find his 15 bones and color his yard while learning the do's and don'ts of dog-bite safety.

AMERICAN SOCIETY OF  
PLASTIC SURGEONS

## Do:

- be still like a tree when a strange dog comes up to you,
- be kind to dogs and don't chase them,
- ask an adult before petting a dog,
- tell an adult if you see a stray dog or a dog acting strangely.

## Don't:

- approach strange dogs,
- play with a dog unless you are with an adult,
- look a dog straight in the eye,
- disturb a dog that is sleeping, eating or caring for puppies.
